

GUIDED FERN WALK

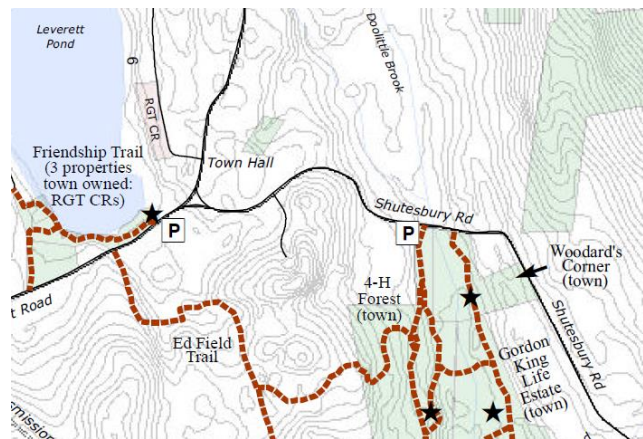

SUNDAY JUNE 26TH 2 PM

4H FOREST, LEVERETT

Led by Randy Stone,
Pioneer Valley Fern Society

Sponsored by Rattlesnake Gutter Trust

We'll start by discussing the key features to look for when identifying any fern. Then we'll learn to identify a dozen or more of the common ferns and perhaps some uncommon ones too along the trail. Besides the ferns, there should be a nice selection of wildflowers.

Map by Leverett Trails Committee

Meet at Parking Lot off Shutesbury Rd at 2 PM.

Directions: From Leverett Town Hall turn left/south and then bear left on Shutesbury Road. The 4-H Forest sign and parking lot are about 0.5 Miles from the Town Hall. Free & open to the public.
