

2 FERN WALKS

SUNDAY June 19th 2-4pm

at

Highland Park, Greenfield

Led by Randy Stone,
Pioneer Valley Fern Society

Two fern walk options. **2-3 PM** an easy walk along a wetland near Highland Pond. **3-4 PM** is a harder hike up steeper trail to rock areas for less common ferns. People may attend one or both, as they are physically able.

We suggest you wear clothing appropriate for poison ivy, insects including ticks, and muddy ground in some areas.

First hike *easy*, second more *difficult* with some short steep areas & uneven rocky ground.

Directions: At intersection of Main and High Streets in Greenfield, turn on to Crescent St & then on to Highland Ave. Stay left onto Highland Park Rd, past tennis courts, then left onto Parkway St to parking lot below Highland Pond. Meet in parking lot for start of both walks.

Pre-registration not required. Rain cancels. Free.

See map of Highland Park area on next page.
