

FERN WALK

SUNDAY July 27th 1-3pm

at

Highland Park, Greenfield

**Led by Randy Stone,
Pioneer Valley Fern Society**

Hike the trails to see a wide variety of our native ferns. Trails may be rocky, uneven, or steep at times, so not an easy hike.

We suggest you wear clothing appropriate for poison ivy, insects including ticks, and muddy ground in some areas.

Directions: At intersection of Main and High Streets in Greenfield, turn on to Crescent St & then on to Highland Ave. Stay left onto Highland Park Rd, past tennis courts, then left onto Parkway St to parking lot below Highland Pond.

Meet in parking lot for start of both walks.

Pre-registration not required. Rain cancels. Free.
