

FERN WALK

SUNDAY August 30th 1-3pm

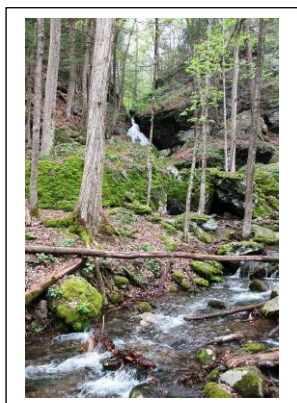

2026

MT. TOBY WATERFALL

Leverett, MA

**Led by Randy Stone,
Pioneer Valley Fern Society**

Come explore the forest trails at Mt. Toby around Roaring Brook Falls and the rail road tracks. On these moist, east facing slopes we'll find some 20 ferns, including less common ones such as Goldie's, bulblet, walking, fragile, and glade ferns. Moderate level hike, with some wet, uneven ground and slopes.

Directions: Meet at the small parking area on west side of Rt.63 in Leverett immediately south of Box # 438, 6 miles north of the traffic light in North Amherst center, and 1/10 mile south of the intersection of Montague Rd. to Leverett center. *Very limited parking, so car pool if you can, or park across Rt 63 at the intersection with Montague Rd, for easy walk across the road to the starting area.*

Pre-registration not required. Rain cancels. Free to all interested parties. No dogs please.
