GUIDED FERN WALK
SATURDAY, JULY 23RD, 10 AM
MONTAGUE RD, SHUTESBURY
Led by Randy Stone,
Pioneer Valley Fern Society

We'll meet at the parking lot across from #153 Montague Rd & car pool up to the next parking lot across from #325. After a short description of how to identify "10 Easy Ferns", we'll walk about 1 mile south down the road.

We'll learn to identify a dozen or more of the common ferns along the road. There should also be a nice selection of wildflowers. Free ~ everyone welcome!
